## About Us

Established in 1979, Mile-X Equipment has been a premier supplier of shop, garage, and metalworking equipment for over 45 years. Originally a manufacturer of heavy-duty tire regroovers and tire changers, we have since redirected our focus to providing our customers with top-quality tools and equipment from a wide array of reputable manufacturers. Our dedicated staff possesses extensive experience in the automotive, heavy-duty, maintenance, and agricultural industries, making Mile-X Equipment a trusted source for all your equipment needs.

## Facility

Located in Coldwater, Ohio, our warehouse and office enable efficient and seamless shipping both domestically and internationally. By stocking a wide range of popular and bestselling items, we expedite delivery times to ensure prompt order fulfillment. Items not available in our warehouse are promptly shipped directly from the manufacturer to the customer, ensuring minimal delays and efficient delivery.
