
WARRANTY AND LIMITATION OF REMEDY

Seller warrants that the items sold will be free from defects in material and workmanship for a period of one year from the date of purchase; provided, however, that Seller's maximum liability and Buyer's exclusive remedy, for any goods which are or become defective, shall be, at Seller's option, the repair of the defective goods or the replacement thereof with conforming goods, f.o.b. Seller's plant, or the reimbursement to the Buyer of the contract price for the defective goods. Repair or replacement of defective goods or reimbursement for the contract price thereof, shall be made only upon return of the defective goods to Seller at Seller's cost, but only after inspection of the goods by Seller and written instructions by Seller to Buyer regarding the shipment of the goods to Seller.

Other than set forth above, SELLER MAKES NO WARRANTY OF ANY KIND, WHATEVER, EXPRESS OR IMPLIED; AND ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS HEREBY DISCLAIMED BY THE SELLER.

Seller shall not be liable for any consequential damages, loss or expense arising from the use or the inability to use the goods for any purpose whatsoever.

There are no warranties by Seller covering components, parts, or accessories specified by the Buyer and manufactured by someone other than Seller. Such warranties as may be furnished to Seller by the manufacturer of such items will be extended to the Buyer by the Seller.

The Vision Headlamp Aiming Unit is an optical aiming device designed to aim headlights that comply with the Society of Automotive Engineers recommended practices described in J599 and J600. All lamp and lamp patterns do not conform to these recommended practices.

SELLER MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, WHATEVER, THAT THE VISION HEADLAMP AIMING UNIT WILL AIM HEADLAMPS WHICH DO NOT CONFORM TO THE SOCIETY OF AUTOMOTIVE ENGINEERS RECOMMENDED PRACTICES DESCRIBED IN J599 AND J600.

WARNING: Direct Sunlight Can Damage Unit Voiding Warranty.
