## Capability Statement

**Company Overview:** Founded in 1979, Mile-X Equipment has been a supplier of shop, garage, and metal working equipment. Mile-X customers range from our local vocational education programs to our brave military service members worldwide. Our dedicated staff has experience in both the automotive and maintenance industries, and access to a wide variety of tools and equipment. Making even the most challenging task as easy as possible.

**Facility:** Located in Coldwater Ohio, our warehouse and office make shipping equipment both in the states and outside the US a quick and trouble free operation. We stock many of the popular and bestselling items so that we can expedite shipping times. Many items however ship direct from the manufacturer which can also help with transit time due to the manufacturer warehouses strategically located throughout the U.S.
