**MAHLE Service Solutions (MSS) 90 Day Limited Warranty
(Applies only to equipment owned and operated in US and Canada)**

During the 90 Day Limited Warranty period, MAHLE Aftermarket Inc., Service Solutions (MSS) is solely responsible for costs associated with parts and labor due to defects in material and/or workmanship. MSS is not responsible for the costs associated with repairs needed due to improper use or a lack of required maintenance outlined in the operation manual. MSS's goal is to provide a timely turn-around of the covered product requiring warranty repair.

The Customer is responsible to ASSIST AND PARTICIPATE with MSS Technical Support in the over-the phone and/or remote diagnosis process of:

- A) Determining that a legitimate failure has occurred and that the complaint is not the result of inadequate training and/or improper use that can be easily remedied by over-the-phone instructions.
- B) Determining the nature of the failure and that it is reasonable for MSS Technical Support to judge over the phone that the failure is warrantable.
- C) Determining the parts necessary to make the repairs so that those parts can be shipped when required via the appropriate expedited method at the expense of MSS if the failure is warrantable.

During the 90 Day Warranty period for failures that are deemed by MSS to be warrantable, MSS is solely responsible for providing Field Repair Service within a reasonable period of time after a warrantable failure per the warranty terms stated above is reported. Field Repair Service is generally available in all areas within 150 miles of major metropolitan areas of the US. A reasonable period of time will depend on the location of the customer and the time of the year. MSS maintains a large network of Service Providers in the US. When Field Repair Service is needed, in most locations near a major US metropolitan area, and during most times of the year, a reasonable period of time for Field Service is less than 72 hours after parts are received by the Customer.

Parts shipped for repair need from MSS will normally arrive between 24 to 48 hours after the Customer reports a failure. At their discretion, Customers may choose to make the necessary repairs, with over-the-phone support from MSS Technical Support so as to minimize downtime.

It is the Customer's responsibility to maintain the MSS Equipment in according to instructions found in the Operation Manual for the covered product and operate the equipment in a commercially reasonable manner. MSS provides free Technical Support over toll-free telephone lines in the US to assist the customer operation and maintenance for the life of the covered product.

The Customer should review the legal Warranty Disclaimer for more details of coverage and limitations.

Ancillary accessories such as Refrigerant Identifiers, Leak Detector Lights and Leak Detectors must be returned to MSS for repair or replacement with a new or refurbished unit, at MSS's sole discretion, in the event of a warrantable defect.
