

General Information

Product Warranty

The warranty stated herein is in lieu of all other warranties, expressed or implied, including, but not limited to merchantability or fitness for a particular purpose. All products sold by Western Pacific Storage Solutions are warranted for a period of **one (1) year from the date of acceptance by the customer**. All material is to be free from defects in materials and workmanship under normal use and service. If during the warranty period Western Pacific Storage Solutions determines that the material under normal use and service fails or a defect is identified; the material will be replaced and installed at WPSS expense by an authorized installer of WPSS choosing.

Product Liability

If Western Pacific Storage Solutions products are modified or used for other than their designed purpose WPSS assumes no responsibility for product failure or personal injury.

Damage in Transit

For the customer's protection, examine each shipment carefully. If there is any evidence of damage or shortage in transit, insist that the delivering Carrier make appropriate notation on the freight bill before signing for the material. **If concealed damage is discovered after receipt of shipment**, immediately notify Carrier, requesting inspection report to support claim. Any claim for damaged or shortage in transit must be filed with the delivering carrier. Should damage is deemed to be caused by the packaging on the part of WPSS; the material will be replaced at WPSS expense. Damage that is related to carrier in transit will not be subject to return. Customer's recourse is with the delivering carrier.
