

WARRANTY

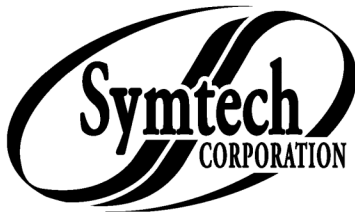

All Symtech Corporation products are warranted to be free from defects in material and workmanship under normal user service for a period of one year after the sale of the product.

Exception to this policy will be individually evaluated and must be approved by **Symtech Corporation**. The sole obligation under this warranty shall be to repair, or replace any defective product, or parts thereof, which upon examination are deemed to the seller's satisfaction to be defective.

The warranty shall not apply to any product that has been subject to misuse, negligence, or accident.. The seller shall not be responsible for any special or consequential damages and the warranty as set forth is in lieu of all other warranties, either expressed or implied. However, the seller makes no warranty of merchantability in respect to any products for any particular purpose other than that stated in literature and any applicable manufacturers shop or service manuals referred to therein, including any subsequent service bulletins.

The "HBA 5" Optical Headlamp Alignment System has been tested by an AMECA accredited photometric laboratory and found to comply with the Society of Automotive Engineers (SAE) recommended practices prescribed in standards j599 and j600.

The seller makes no claims or warranties of any kind that the "HBA 5" Headlamp Alignment System will align headlamps that do not conform to Society of Automotive Engineers recommended practices described in j599, j600, j1383, and j1735.
